

Bi 115 Exegesis Research Project

Project Assignment Distributed:

March 19, 2015

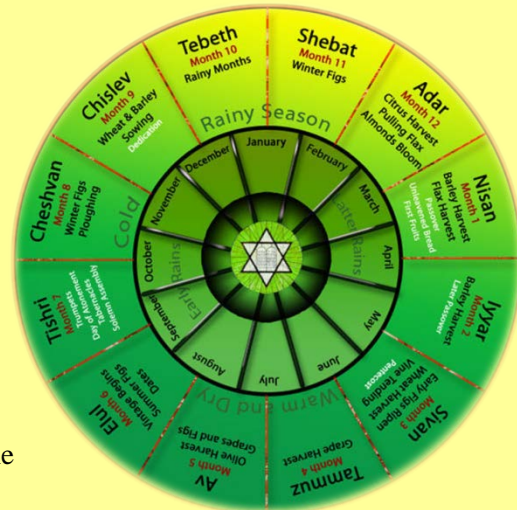

Project Due Date:

April 30, 2015

Project Description:

In our Study of Exodus and Leviticus we have come across 7 feasts. In this research project you are to further investigate, and document the Hebrew Religious Festivals of the Pentateuch.

Your investigation should include and document: Firstly the practice significance, and purpose of each festival as initially given; Secondly, the practice of each festival, as it has evolved over time to today's contemporary times; Thirdly, what is the Christological significance of the festivals, including those that are completed in Christ and those that are anticipating Christ's ultimate fulfillment; And fourthly a discussion of the place of these festivals in the life of Christian believers.

Resources for this paper should include, but do not need to be limited to:

- The Bible;
- Your class text(s);
- at least 2 commentaries (online OK) – for example, Matthew Henry commentary on the Whole Bible (**Complete** vs *Concise*) OR, the Commentaries of Robert Jamieson, A.R. Fausset and David Brown
- a Bible dictionary (online OK) – for example, Holman Bible Dictionary
- a Bible encyclopedia (online OK)– for example ISBE, International Standard Bible Encyclopedia

Your paper should be MLA in format as reviewed in class, include citations, and be *at least* 7 pages in length.
